

Strengthening the Bridge. Building the Future.

2026 is a defining year for the Somersworth Community Chamber of Commerce.

As our city moves confidently toward the future, The Chamber is intentionally strengthening the bridge between business and community. Through the launch of the Bridge Builders Leadership Circle and the new Summer Workforce Fellowship, we are investing in both structural stability today and the next generation of local leaders tomorrow and we want YOU to be a part of what comes next!

2026 Bridge Builders Leadership Circle Strengthening the Bridge Between Business and Community
